Thank you for your interest in learning more about the Turner Fire District.

We are a small, combination (volunteer & career) group of professionals interested in expanding our work force. We run approximately 1200-1500 calls annually of which approximately 80-85% are EMS in nature. We operate two ambulances equipped at the ALS level. We offer comprehensive and progressive protocols, great equipment, including a LifePak 15 multi-platform defibrillator with 12 lead EKG and capnography. We also have an excellent fleet of apparatus. Most importantly, we offer the opportunity to be part of the Turner Fire District team.

If you are looking for a vacation station, this is not it. We are actively involved in our community and expect our personnel to be equally involved. If you are looking for an organization that treats volunteers poorly, this is not it. TFD expects harmonious treatment by all our personnel internally as well as with our community.
